## THE PROJECT

---

The goal: To draw Library and Information Science (LIS) students' attention to IFLA:

- Private and/or company sponsors play the role of the LIS student's mentor and pay the fee for one year's student membership in IFLA.
- Sponsored LIS students will work in close cooperation with an IFLA Professional Unit (Section, Core Activity, SIG, etc.) of choice.
- Sponsored LIS students will participate in IFLA's ongoing professional activities like (scholarly) projects, newsletter support, website support, electronic communication support, etc.
- LIS students will make presentations about IFLA activities at national and/or international events through poster or paper presentations.
