

APPENDIX C: RELATOR CODES

Introduction

Codes from this list may be used in subfield \$4 of fields in the 7-- RESPONSIBILITY BLOCK. When more than one code is to be used in conjunction with a single name, each code should be carried in a separate subfield \$4.

The codes in this list are not mutually exclusive. Institutions making use of such codes should attempt to use the most specific code applicable when one or more would seem to apply. The use of relator codes in UNIMARC is optional.

Alphabetic 3-character codes allowing for a preciser identification of relationships for performers which may be used in addition to the numeric codes 545 and 721 when needed by the cataloguing agency are found in field 146.
